DHARAN MJ
3rd Yr IT
St. Joseph's Institute of Technology

Dear Dharan,

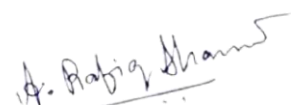

We are delighted to offer you the position of **Intern** at Ethical Intelligent Technologies LLP. This opportunity includes an extended internship program spanning one year, contingent upon the successful completion of an initial one-month summer internship from **2nd June 2025 to 28th June 2025**.

Extended Internship Terms: Following the successful completion of your summer internship, you are eligible for a one-year extended internship with a flexible hybrid work arrangement. You are required to report to the office once per week, with the remaining working hours conducted remotely from home.

Acceptance Required: Please confirm your acceptance of this offer by sending an email acknowledgement not later than **3rd July 2025**.

We look forward to your valuable contribution to Ethical Intelligent Technologies LLP and are confident that this internship will provide an enriching experience for your professional development.

Sincerely,

An ISO 9001 : 2015
